

March 9, 2024 Wartburg, Mt. Vernon
April 27, 2024 Holy Trinity, Rockville Centre

Bishop Egensteiner is hosting two Saturday events for our congregation presidents to introduce the **MNYS Mission Forward** strategy's **2024-2025 Focus**. The event program will include presentations on congregation governance, MNYS microsites, property management, and information about ministry resources available to congregations.

To help guide our time, our speakers will be MNYS officers and staff in the Office of the Bishop. Congregation presidents are encouraged to attend either of the scheduled events according to their preferred date and/or location. Registration is required to coordinate seating and food arrangements. Click [HERE](#) for registration.

The registration deadline for the March 9 event is March 1, and the April 27 event is April 19.
